REPLY FROM FOLK

BELIEVES YEAR-OLD INDORSEMENT IS BINDING.

IN ANSWER TO CLARK

Calls Attention to Fact That Clark Was Chairman of Convention That Endorsed Him.

Champ Clark's statement published in Wednesday's St. Louis Republic, has called forth a reply from J. W. Folk, and here is the statement authorized by Mr. Folk:

"The Democrats of Missouri have endorsed Governor Folk for the Democratic presidential nomination through their chosen representatives in convention assembled. This endorsement was part of the last Democratic platform and was accepted in good faith by a large majority of the Democrats of the state. This action was taken after full discussion before the people for six months previous to the convention. Back of this endorsement I believe is the will of more than 80 per cent of the Democrats of the state. Mr. Clark, it will be remembered, was the chairman of that convention.

"Every fair-minded man will concede that Governor Folk should be given the state's delegation. The Democrats of Missouri have spoken once and they can speak again."

Lon Sanders, president of the Missouri Democratic League, which is booming former Governor Joseph W. Folk for president, yesterday declared in an interview with the Republic, authorized by Folk, that he considered the Jefferson City endorsement of a year ago binding on the Democrats of the state.

"We do not intend, however," said Sanders, "to rest our cause on a mere appeal to fairness. We believe we have the strength to carry the state, and intend to demonstrate our ability to do so when the time comes, if it is necessary. The Democrats of Missouri have spoken once and they can speak again."

That the Folk forces would welcome a primary or any means by which the question of his present strength can be shown was made clear by the president of the league.

"You can just say for me," said Mr. Sanders, "that we are eager to demonstrate to the complete satisfaction of every person in the state that Folk is now the choice of the Democracy, as he was a year ago."

When Folk was asked for a personal expression on the subject, he said:

"I am more concerned in the success of progressive Democratic principles than in my own or anyone else's possible candidacy.

"These principles should be above the ambition of individuals. Selfish or self-asserting hopes should not be allowed to create dissension in the ranks of the party at this time."

In speaking of the binding effect of the resolution in the platform last year endorsing Folk's candidacy, Sanders said the Democrats of Missouri had endorsed Folk for the Democratic presidential nomination through their chosen representatives.

"The endorsement was part of the last Democratic platform, and was accepted in good faith by a large majority of the Democrats of this state. This action was taken after full discussion before the people for six months previous to the convention. Back of this endorsement, I believe, is the will of more than 80 per cent of the Democrats of the state.

"I notice Mr. Clark's secretary is quoted as saying that Clark is embarrassed by the pledge of a year ago, and that Clark, himself, makes an indefinite statement as to the binding effect of the platform of a year ago. Mr. Clark, it will be remembered, was the chairman of that convention."

Delegates to the state convention which will choose delegates to the national convention will be chosen by primaries and county conventions next year.

"Those county primaries or conventions," said Sanders, "will decide whether the rank and file of the party wants to stand back of the platform adopted by their representatives in the convention last year."

LADIES' ORCHESTRA HERE.

To Appear at Business College This Evening.

The Ladies' Spanish orchestra arrived in the city at noon today and are ready for the entertainment at the Business college auditorium tonight. The personnel of the company is as follows: Frederick Irving, manager; Olivia Fox, Coleta Fox, Sylvia Fox, Anna Smith, Francis Parkinson, Helen Barnard and Marie Hall.

The Fox sisters will be remembered as being here a year ago, at which time there were five. They pleased immensely then, and the entire company has been decidedly popular. The program will begin at 8:30.

AT BURLINGTON JUNCTION.

Designated as a Postal Savings Depository, Effective Nov. 9.

Burlington Junction postoffice has also been designated by Postmaster Hitchcock as a postal savings depository, effective on November 9. J. H. Bryant is postmaster at the Junction. There will be three savings depositories in the county after November 9, Burlington Junction, Hopkins and Maryville.

The one at Maryville was established in August, but it is not a success, as only a few dollars have been deposited.

WELL BUCKET STOLEN.

James Reed of Near Ravenwood Charged With Stealing It.

Constable Richard Snyder arrested Thursday afternoon James Reed, who lives near Ravenwood, on a charge of stealing a well bucket, rope and pulley from Frank Grundell, who lives five miles east of Maryville. Mr. Grundell swore out the information. It is claimed that these articles were taken last July and are valued at \$35. The case will come up Tuesday before Justice W. L. Johnson.

SALE WAS FAIRLY GOOD.

An Average of \$28 a Head Received at Harvey's Hog Sale.

The sale of J. H. Harvey held Thursday afternoon at Gray's sale pavilion of O. I. C. Chester White hogs was a fairly successful one, good prices being received. Fifty-eight head were sold at an average of \$28 a head.

DR. LUCE TO LEAVE HERE.

Not Known as Yet Where He Will Locate in the East.

Miss Cornelia Luce arrived in Maryville Friday noon from Santa Fe, N. M., where she has had charge of the domestic science department in the Presbyterian College for Girls. Miss Luce has come on a visit to her parents, Rev. Dr. and Mrs. Charles P. Luce, and family, who will leave in a few weeks for the east to make their home. Dr. Luce has not yet returned from his stay in the eastern states, and his family does not know as yet where they will be located. Dr. Luce, we understand, has taken work under the Presbyterian home mission board.

Off for San Francisco.

Jack Evans and John Mutz left Friday evening for San Francisco in charge of a shipment of fine cattle made by Charles D. Bellows to the Howard Cattle company of San Francisco. The shipment consists of ten head of Shorthorns and ten head of Herefords.

Left for Illinois.

Charles Hyslop left Thursday evening for Carthage, Ill., on business. He expects to return about the first of November, accompanied by Mrs. Hyslop, who has been living there for some time with her aged mother, who died recently.

A Skating Rink.

It is rumored that a skating rink will be started in Maryville within the next few weeks by Mr. Vincent of Shenandoah. The old armory hall, on the east side of the square is the place Mr. Vincent is trying to lease for the rink.

May Go to Oklahoma.

Mr. and Mrs. C. A. Langston of Hopkins were in Maryville Friday on business. They are expecting to be located in Winnwood, Okla., by the first of the year.

John Davis went to his farm near Bolckow Thursday evening.

A BRIDGE SESSION

COURT CONSIDERED BRIDGES IN GREEN TOWNSHIP.

COURT MADE TRIP THERE

Bridge Fund is Nearly Exhausted and Four Bridge Contracts Were Cancelled.

A special session of the county court was held Friday to take up the matter of repairing and building new bridges in Green township that were washed away and badly damaged a week ago by the big rain. Ten bridges, four of five steel ones and the rest wooden structures, were badly damaged and some of them washed away. A number of culverts were also washed out.

As the bridge fund is nearly exhausted, the court decided to cancel four contracts for new bridges in other parts of the county, so as to have the money to go ahead with the bridge work over near Quitman. The bridge fund has been short all year and the court has had a hard time in putting in what bridges were needed.

The judges of the court, John Thornhill, William Blackford and Joseph Thompson, with County Highway Engineer Reese, left Friday afternoon in an automobile to see for themselves what work is really needed in the Quitman vicinity on these bridges, and whether it is necessary to build new ones.

The court intends to have work start at once on these bridges, as it has been impossible to travel on these roads with the bridges out.

TODAY'S GAME WAS POSTPONED

On Account of Rain—Tomorrow's Game at Philadelphia.

There was no ball game at Philadelphia again today on account of rain. This makes the third day that the fourth game of the world's series has been postponed on account of rain at Philadelphia. Tomorrow's game will be played at Philadelphia, weather permitting.

NAMES ROAD DELEGATES.

W. C. Pierce and Rev. Fr. Placidus From Nodaway County.

W. C. Pierce of Maryville and Rev. Fr. Placidus of Conception were appointed by Governor Hadley yesterday as delegates to attend the first annual road congress of the American Association for Highway Improvement, to be held at Richmond, Va., November 20-25.

Indiana Visitors Leave.

Senator and Mrs. B. H. Cravens of Hardensburg, Ind., who have been visiting their relatives, Mr. and Mrs. A. T. Stephenson and family and Mrs. Laura Beal and family, left Friday for Des Moines, Ia., to visit before returning home.

Entertained at Dinner.

Mr. and Mrs. Clarence W. Workman entertained for dinner Thursday, October 19th, at their country home, seven miles north of Maryville, in honor of their cousin, Mrs. John O'Connor, of Miles City, Mont., who has been visiting her parents, Mr. and Mrs. H. A. Edwards of this city. Owing to a message calling her to her home the honor guest was unable to attend. Those present were Mrs. H. Edwards, Mrs. Charles Smith and son, Mrs. F. L. Murray and son, Mr. and Mrs. William Edwards and daughters, Mrs. P. L. Edwards and daughter and Mrs. W. E. LaVelle and daughter.

Jolly Circle Played Dominoes.

Mr. and Mrs. W. O. Swinford entertained the members of the Jolly Circle at dominoes Thursday night at their home, on North Market street. Refreshments were served after the games. Those present beside the members were Master Harry Holmes and a niece of the hostess, Miss Ethel Swinford of Pickering, who is attending school in the city. The members are: Mr. and Mrs. O. L. Holmes, Mr. and Mrs. J. F. Cook, Mr. and Mrs. J. E. Melvin, Mr. and Mrs. J. H. Eckles, Mr. and Mrs. R. A. Strawbridge, Mr. and Mrs. Robinson Craven, Mr. and Mrs. R. H. Duncan, Mr. and Mrs. W. R. Wells.

O. D. O. Bridge Club.

Miss Esther Shoemaker, assisted by her mother, Mrs. F. G. Shoemaker, entertained the members of the O. D. O. Bridge club Thursday afternoon at their home, on East Fourth street. Mrs. Paul Ream of Kansas City, who is visiting her parents, Mr. and Mrs. Joseph Jackson, Sr., was the guest of the club. The other members of the company were the hostess, and Mrs. N. C. Covey, who played the highest score during the afternoon, Mrs. D. J. Thomas, Mrs. Ferdinand Townsend, Mrs. Berney Harris, Mrs. George Loranee, Mrs. C. C. Hellmers, Mrs. F. G. Shoemaker, Miss Susie Ellison, Miss Della Grems and the two new members, Mrs. Charles Jackson and Miss Rena Sturm.

Swaney-Godsey.

A happy wedding was solemnized at the home of Mr. and Mrs. George H. Swaney, near Pickering, Wednesday afternoon, October 18, when their eldest daughter, Nora, was united in marriage with John F. Godsey, by Rev. Fred M. Lindenmeyer of Pickering, their pastor. The wedding march was played by Mrs. Alex Swaney, a sister of the bride. The bride wore a beautiful white silk dress trimmed in lace and white sateen braid, and carried a beautiful bouquet of dahlias. The home was nicely decorated with flowers. After the ceremony the guests sat down to a sumptuous dinner.

The bride and groom have grown to maturity in this community, where they have a host of friends that wish them much happiness in their wedded life. Among the guests were the following: Mr. and Mrs. G. W. Swaney,

Mr. and Mrs. Ed Godsey, Mr. E. D. Godsey, Mr. and Mrs. A. Wilder, Mr. and Mrs. A. B. Swaney, Mrs. H. W. Northrup, Mr. and Mrs. Andrew Wiley, Mr. and Mrs. Alex Swaney, Mr. and Mrs. Gilbert Aiken, Mr. and Mrs. Lon Fine, Mr. and Mrs. F. M. Lindenmeyer, Misses Ocie Swaney, Lena McKee, Flora Godsey, Messrs. June Swaney, Lee McKee and Rev. W. H. Rust.

Hallowe'en Social.

Elaborate preparations are being made at the Normal for a Hallowe'en social for the students and faculty to be given at the Normal building on Tuesday night, October 31. The committee in charge, composed of Misses Susan Ellison, Mae Corwin and Donna Sisson, have arranged for a farcical street fair. Different shows, such as minstrel show, dance of the seven veils and the living skeleton will be introduced. Also a horse show will be conducted and a children's parade will take place. Later in the evening all those present will go to the campus west of the building and gather about an immense bonfire. Marshmallows will be toasted and numerous outdoor games will be indulged in.

Dew Drop Inn Club.

The Dew Drop Inn club met Wednesday at the home of Mrs. Martin VanBuren. The members present were Mrs. Harry Farrar, Mrs. Sam Yeager, Mrs. Oliver Jones, Mrs. Albert Orme, Mrs. Elmer Baker and the hostess, Mrs. Martin VanBuren. The children were Misses Andrew Farrar, Geneva Yeager, Mary and Ruth VanBuren, Mildred and Velma Jones, and Masters Wendell Jones, Harold VanBuren and Myron Baker. The session was spent in perfecting plans for a reception to be given Friday evening, October 20, at the VanBuren home in honor of Mr. and Mrs. VanBuren and family, who are shortly to leave our midst for a home in Kansas. The next meeting of the club will be at the home of Mrs. Sam Yeager.

The "Track Meet."

The track meet given in the parlors of the First Christian church Thursday night by the Christian Endeavor society to the students of the various schools of our city, proved the most unique and enjoyable social entertainment given in our city in a long, long time, and the social committee, Miss Lois K. Halley, Mrs. Claude J. Miller, Miss Alice Ray, John Gates and Ernest Yeaman, are to be congratulated on its success. Dr. D. J. Thomas was score keeper in the events, H. J. Becker time keeper and Rev. C. J. Miller starter.

As the guests of the evening entered the door a pennant was given to each in five colors: Crimson standing for Yale, blue for Oxford, yellow for Drake, brown for Brown university, green for Shamrock.

A leader was chosen for each school, yells were formulated and college spirit ran high. The nature of the meet was known only to the social committee. The following events were pulled off:

Twenty-foot dash—This consisted of preliminaries and finals. A representative from each college was given a glass of water, obliged to hop across the room and back, measuring their success by the amount of water left in the glass and the time spent in reaching the goal.

Shot put—This consisted of two 2-ounce bottles and a pan of shot. The shot was put into the bottle with a spoon. The winner filled the bottle with shot in the shortest time.

Broad jump—A lady and man, representatives from each college, sang the scale. The highest and lowest note sung won first place.

Hurdle race—A young man from college, with feet tied together, crossed the room and returned over books placed at intervals on the floor.

Discus throw—Two lady representatives from each college threw inflated paper balls for distance.

Pole vault—Five young men ate doughnuts against time. The doughnuts were tied to a fish pole.

Relay race—Ten representatives from each college engaged in a cracker eating contest. As soon as No. 1 had eaten the cracker, No. 2 started, and so on unto the tenth.

First place counted five points, second three, third one.

The final score stood as follows: Yale 19, Oxford 18, Drake 13, Brown 7, Shamrock 6.

At the close of the evening's jollification lemonade and popcorn were served, while everybody reviewed the events of the evening in fine spirit.

PROSPECT FOR COAL

AT RAVENWOOD SEEMS GOOD, ACCORDING TO SURVEY MADE.

REPORT OF FINDINGS

By F. C. Greene of Missouri Geological Survey, Who Was at That Place Last Week.

F. C. Greene of the Missouri geological survey of Rolla, Mo., was in the vicinity of Ravenwood last week, having been urged to come there to look around as to the prospect for coal. In this week's Ravenwood Gazette Mr. Greene writes the following report of his findings:

Ravenwood and the surrounding region is underlain by formations of the upper coal measures. These formations are layers of limestone, shale, sandstone and occasional thin beds of coal and slate, such as outcrop on the Platte and Long Branch. The total thickness is probably about 700 feet, below which the drill will penetrate the lower coal measures, which will probably be found to have a thickness of about 600 feet. It is in this series of beds that practically all the workable coal of Kansas, Missouri, Iowa and Illinois is found. The Cainsville coal, if found at Ravenwood, will be about 450 feet below this series.

Besides the coal, the lower coal measures contain much sandstone and shale, but very little limestone. However, the next formation below is the Mississippian limestone, a hard, flinty rock, which the driller immediately recognizes. No coal has ever been found below this limestone, and it is commonly supposed that no oil or gas will be found.

The formations of Northwest Missouri have a general dip to the west, so that coal seams which come to the surface in Putnam and Adair county will be found deeper and deeper to the west. Thus the coal outcropping along the Chariton R. is probably the same bed as that found at Stanberry, 720 feet deep. This was reported to be 30 inches thick and should be found at Ravenwood.

The coal in the vicinity of Quitman and Arkoe is in the upper coal measures, but its eastern outcrop doesn't extend to the Platte river.

From the foregoing it will be seen that the best chances for coal at Ravenwood is below 700 feet. Objections may be raised that it would be unprofitable to mine at the depth, but at Leavenworth, Kan., a 22-inch coal seam is being mined at a depth of over 800 feet. Miners at that place have worked under the Missouri river and are now taking coal from under this state. In Europe it is mined at over a thousand feet.

As to oil and gas in the vicinity of Ravenwood, no certain prophesies can be made. Both of these valuable products are found in Kansas and Oklahoma in both upper and lower coal measures. They have been found in this state in small quantities at various places. This fact has caused many people to believe that finding larger quantities is but a question of drilling in the right place, and Ravenwood may be this place. The actual drilling, however, is the only correct way of determining this question.

The hills around Ravenwood are composed of glacial drift, which is supposed to have been brought down from the north during the ice age or Pleistocene, as geologists call it. Anyone noticing the piles of boulders and gravel seen in ditches around Ravenwood will see that there is very little local limestone, most of the material being granite, quartzite and other foreign rock. It is supposed that some of these rocks have been carried a thousand miles or more, since they do not outcrop less than a thousand miles to the north in Canada.

The occasional finding of iron ore, small pieces of pure copper and grains of gold has given rise to rumors at various times that deposits of these materials existed in Northern Missouri, but so far, all these rumors have been based on finding isolated specimens and no actual deposits have been found, or are likely to be found, in this region.

Miss Eva Lee Vance, a Business college student, went to her home at McFall Friday to spend the week end.

How Expressive of Quality is the Tailor Made Suit

You can't analyze it—you can't define it. But it's there. The tailor-dressed woman can be recognized instantly. Even if an entire block ahead, with only the back of her head to nod blankly at you as she trips along—her clothes tell the story. "She's refined—she's cultured—she's charming" you think. And you're right. The essence of good taste and refinement is today shown by wearing garments that are made to fit you and you alone—that express and show that individuality and distinctiveness all good dressers now demand.

Visit Our Tailoring Department

Don't deprive yourself of made-to-measure clothes—the kind that attract and please merely because you think you can't afford them, or because you might have an idea that one must go clear to Chicago or New York to get the right kind. For right here in your own town—within a stone's throw of your own home—you can get just the kind you are looking for. Our arrangements with the well known American Ladies' Tailoring Company enable you to have the styles of the world's fashion centers set down right at your door at prices no higher than you have been used to paying for ordinary ready-mades.

Fit and satisfaction guaranteed—delivery prompt. Come and see for yourself. No obligations to buy.

CATARH OF STOMACH.

Indigestion and Stomach Agony Quickly Ended.

If you went to thirty doctors and paid each his fee for a prescription for indigestion or stomach misery it is ten chances to one you wouldn't get such a good prescription as the one from which Mi-o-na stomach tablets are made.

How can such a thing be? you naturally ask.

Simply because the man who wrote the prescription from which Mi-o-na tablets are made knows more about stomach diseases than 96 per cent of all the physicians in America, and he gets paid for knowing.

And when you can get a large box of tablets made from this doctor's prescription for only 50 cents, are you going to continue to suffer? Sold by the Orear-Henry Drug Co. and druggists everywhere.

SAGE TEA WILL DARKEN THE HAIR

Restore Faded and Gray Hair to Natural Color—Dandruff Quickly Removed.

There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance they made a brew of sage leaves and applied it to their hair, with wonderfully beneficial effect.

Nowadays we don't have to resort to old-time, tiresome methods of gathering the herbs and making the tea. This is done by skillful chemists better than we could do it ourselves, and all we have to do is to call for the ready-made product, Wyeth's Sage and Sulphur Hair Remedy, containing sage in the proper strength, with the addition of sulphur, another old-time scalp remedy.

The manufacturers of this remedy authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

Don't neglect your hair. Get a bottle of Wyeth's Sage and Sulphur today, and notice the difference after a few day's use.

A Big Packet Sale of Wool Dress Goods STARTS SATURDAY

THIS is to be a big sale in every sense of the word—big in the point of variety, in the range of prices and in the value giving. We have culled every dress length, every skirt length and waist length from our big stock of wool dress goods and marked them at greatly reduced prices. The variety of fabrics represented in the packets will rival in size the variety in our stock.

This is also to be a sale of popular fabrics and patterns. For these are the ones which sell readily and consequently become remnants first. A glance at the fabrics on the tables will show the patterns and fabrics which are in most demand.

But above all this is to be a real value-giving sale, a sale of genuine reliable bargains. The many prices prevent us from giving the reductions in detail but in a general way we may state that most of the packets will be sold for as low as

One-Third Off.

This will be a great opportunity to buy dresses, skirts and waists and particularly children's dresses as there are a great number of patterns especially suited for this purpose.

Come Saturday, come early—the first buyers get first pick. The sale will continue, however, until the packets are closed out, which will probably be several days.

Prices and yardages in plain figures on every packet. Wait on yourself.

EATS WHAT HE LIKES AFTER TAKING FREE SAMPLE

It will be welcome news to dyspeptics to learn of a remedy that, in the opinion of thousands, is an absolute cure for indigestion and all forms of stomach trouble, and, better still, it is guaranteed to do so. The remedy is Dr. Caldwell's Syrup Pepsin.

We all know the value of pure pepsin in indigestion, and add to this some exceptional laxative ingredients and you have a truly wonderful remedy. Mr. T. W. Worthy of Forsythe, Ga., got to the point where he could not even eat or digest vegetables and after many years of seeking he found the cure in Dr. Caldwell's Syrup Pepsin. Mr. Rudy Kasper of Moline, Ill., was in the same bad predicament with his stomach, took Syrup Pepsin and is now cured.

Hundreds of others would gladly testify. It is a guaranteed cure for indigestion, constipation, biliousness, headaches, gas on the stomach and similar complaints. A bottle can be had at any drug store for fifty cents or a dollar, but if you wish to make a test of it first, send your address to Dr. Caldwell and he will supply a free sample bottle, sent direct to your address. You will soon admit that you have found something to replace salts, cathartics, breath perfumes and other temporary reliefs. Syrup Pepsin will cure you permanently.

For the free sample address Dr. W. B. Caldwell, 541 Caldwell building, Monticello, Ill.

A CORROBORATION.

Of Interest to Maryville Readers.

For months Maryville citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills, by residents of this locality.

Would these prominent people recommend a remedy that had not proven reliable?

Would they confirm their statements after years had elapsed if personal experience had not shown the remedy to be worthy of endorsement?

No stronger proof of merit can be had than cures that have stood the test of time.

The following statement should carry conviction to the mind of every Maryville reader.

G. S. Kemp, R. F. D. No. 1, King City, Gentry county, Mo., says: "I give Doan's Kidney Pills my endorsement and I willingly confirm the statement I made in their favor some years ago. This remedy has been of great benefit to me and I advise other kidney sufferers to give it a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

His Awful Anguish.

She had refused him, but, ah! her heart was filled with pity. Poor fellow! How he must be suffering!

In the evening she sought her father.

"Father," she said, "have—have you seen Samuel today?"

"Yes, dear. I left him only an hour ago."

"How was he?"

"Well, he looked a trifle worried."

"Oh, poor, poor Sam!" cried she who had been heartless. "He proposed to me this morning, father, and I refused him. But how his great grief haunts me. Oh, father, I fear he is heart broken. I picture him, with a bleeding soul, tossing upon a fevered couch—"

"Yes," interrupted her father. "He told me about it himself while I was beating him at billiards down at the club."—London Answers.

Short Hair to be Mark of Chinese Revolutionists.

TIME LIMIT SET FOR HAIR CUTS

Dispatch From Shanghai Says Three Imperial Ships Have Surrendered and Float Flag of Republic.

San Francisco, Oct. 20.—Short hair has been made the distinguishing mark of the Chinese revolutionists, according to a message from Hankow. The revolutionary government has given the inhabitants of Hankow and Wu Chang until October 22 to cut off their queues. Those refusing to lose their queues will lose their heads, says the editor of a Chinese paper.

Another dispatch from Shanghai says that three imperial warships have surrendered and raised the flag of the republic. It also is said that the rebels have captured Wang Chow, Province of Hu-Peh, occupied the forts and telegraph office there, and are advancing toward Sheung Yang. Other messages say the American consul at Nanking has asked the American legation at Peking for warships.

Peking, Oct. 20.—The foreign legations in Peking have received no dispatches from Hankow since the one from the American consul general, Roger Greene, saying only that the fighting had begun. It is believed, however, that the concessions in Hankow are safe, and that the 10 or 12 foreign cruisers and gunboats in the harbor are ample protection, even from the joint Chinese army and navy.

The American attaches, Lieut. Col. William D. Beach and Capt. J. H. Reeves, returned to Peking because they were not permitted to accompany the troops to Hankow. They say the orderliness and precision with which the troop trains are being sent southward is admirable.

The Japanese cruisers and gunboats in the Yang-Tze-Kiang are establishing a wireless service from Hankow. Japanese torpedo boats, now at Tientsin, may connect with Tokio, as well as with Hankow, by wireless.

Steel Corporation Cancels Lease on Ore Property Which Controlled Output.

New York, Oct. 20.—The United States Steel Corporation has determined to cancel its lease on the vast ore properties of the Great Northern Ore company. The announcement has caused a drop of 10 points in the price of Great Northern Ore certificates in two days. They are selling as low as \$40. They were quoted as high as \$80 last year.

No official explanation of the determination to cancel the lease has been given. It is assumed to be due to the recent declaration of the commissioner of corporations that the steel trust has a practical monopoly of ore properties. The steel corporation apparently wishes to free itself of any such charge.

May Condemn Capitol Land.

Jefferson City, Oct. 20.—Gov. Hadley believes that the commissioners for the new state capitol should resort to condemnation proceedings in acquiring additional property for the capitol grounds unless the owners of three or four tracts that are deemed to be held at exorbitant figures should reduce their valuations. So far as the remainder of the property containing the great bulk is concerned, the prices asked are not deemed unreasonable.

Webb City Man Missing.

Joplin, Mo., Oct. 20.—H. K. Schars of Joplin, the Joplin representative of the C. E. Matthews Lumber company, disappeared and his prolonged absence is looked upon as indicating that he has met with some mishap. The Elks' lodge of Webb City is aiding the police in the search. Schars is known to have gone on the Joplin and Pittsburg electric car as far as Pittsburg, Kan., 26 miles from Joplin.

Rate Advance Held Up.

Washington, Oct. 20.—Advances in the rate on bran, barley and wheat filed with the Interstate Commerce commission by the Santa Fe railway, to be effective on November 1, were suspended by the commission until February 28. The commission is of the opinion that the increases are not justified by conditions and will inquire into them before permitting them to go into effect.

Duck Hunt Cost a Foot.

Lawrence, Kan., Oct. 20.—A shotgun accidentally discharged here shot off the right foot of Elton Waller, a 16-year-old boy of this city. Waller and another boy named Kirby had been hunting ducks and were preparing to land, when a shotgun, lying in the bottom of the boat, was discharged.

Fix up your home
for the party-

Dear Amy:-

I want you and Bob to come to our party next Friday night. I'm always glad to give a party, because I'm proud of my handsomely furnished home. Life isn't worth living if you live it all by yourself. I enjoy entertaining our friends, and they always have such a good time when they come to our home.

I'll bet you and I, Amy, have sold more furniture than any ten women in town, because when people come into our homes they can't help wanting their own also to be beautiful.

SUFFRAGETTES AT LOUISVILLE

Greatest Convention Ever Held by
National Association Opens.

ENGLISH LEADER IN ATTENDANCE

Mrs. Pankhurst Will Urge Use of
Spectacular Methods as Has Been
Done in Europe—Celebrate
California Victory.

Louisville, Ky., Oct. 20.—The greatest convention ever held by the National Women's Suffrage association opened here this morning. From all parts of the Union the women have come, at their own expense, to glory in the victories already won for "the cause" and to plan and discuss methods of carrying on the campaign in the future.

One thing that makes the present gathering of especial importance is the presence of Mrs. Emmeline Pankhurst, head of the militant suffragette faction of England, and the possibility that some important changes may be adopted in the America's fight for equal suffrage through the exposition she will give of the success of English suffragist methods.

May Adopt English Methods.

Hitherto the women of the United States have held aloof from the strenuous methods advocated by the disciples of Mrs. Pankhurst, preferring to conduct their campaigns with an orderliness that has rivaled the political campaigns of great parties that go before the voters. Already the assembled delegates have split into factions on the question of English suffragist methods, and today many of those present stated that they thought the more spectacular methods of the English women would prove more efficacious in the coming campaigns. This feeling seems to have been brought about by a realization that suffragette speakers and campaign managers cannot be so divided as to cover in a thorough manner the five states which will submit the equal suffrage question to the voters at the next election.

On the other hand, a very strong body is against any deviation from the methods that have won several states to the side of equal suffrage.

This faction holds that any undue display of the militant spirit would do more harm than good.

With regard to the campaign themselves, it is said that strenuous efforts will be made to raise sufficient funds for the opening of offices and the dispatch of "spell binders" to the states where the voters will decide the suffrage question. It was also stated here today that another self-denial week may be proclaimed, though on a larger scale than the one held to raise funds for the recent suffrage election in California.

Joy Over California Victory.

That California election, in which, by the hardest kind of work, the women won a victory, is a general topic of conversation among the delegates and though the margin of success was very small, the women are rejoicing none the less in their victory. Tonight, at the jubilee meeting, Mrs. Lobingier and Mrs. E. L. Watson will tell how the campaign was carried on in California.

Dr. Anna Howard Shaw, the president of the association, was in the chair this morning when the convention came to order. In an eloquent and stirring address Miss Laura Clay, president of the Kentucky association, welcomed the delegates to Louisville, and the remainder of the morning was devoted to routine business. In the afternoon there was a conference on "How to Reach the Uninterested" conducted by Anna Anthony of Ohio, Mary Blakewell of Pennsylvania and Mrs. William Ellicott of Maryland. Tonight, at the close of the jubilee meeting, Dr. Shaw will deliver the president's address.

Many famous men and women will address the convention before it adjourns next Tuesday night, among them being Dr. Harvey W. Wiley, Brand Whitlock, Miss M. Carey Thomas, president of Byrna Mawr; Mrs. O. H. P. Belmont, Miss Mary Garrett, Miss Jane Addams, Miss Inez Milholland, Miss Fola La Follette, Mrs. Ernest Thompson Seton and Mrs. Stanley McCormick of Chicago.

FIND ROBBERS' COIN IN CREEK

RECOVERY OF \$500 STARTS PEOPLE SEARCHING.

Money Believed to be Part of Sum
Stolen From Bank Four
Years Ago.

Springfield, Mo., Oct. 20.—News of the discovery by John Aspbell, on his farm between Aldrich and Dadeville, of \$500 in silver along a creek bed has set the people of that section wild with excitement and hundreds of persons spent the day digging vigorously with a hope that they would find more of what is believed to be a part of \$3,500 that was taken four years ago by two highwaymen who robbed the bank of Aldrich.

Aspbell found the coin while crossing the creek. One silver dollar was found in the water and further efforts uncovered along the bank silver coins aggregating about \$500. He had been hiding the money in the wall of his house and discovered that numerous holes had been bored in the wall by someone who evidently was looking for the money. He hastened to Greenfield where he deposited the money in a bank and filed a finder's interplea.

The Bank of Aldrich was robbed in daylight, December 12, 1907. The highwaymen were tracked to a wooded field near where Aspbell found the silver coins. James Vaughn, cashier, handed over \$3,500 in cash and though one man was arrested, convicted and sentenced to serve five years for the robbery, no clew ever was obtained to the stolen money.

JOHN A. FLACK MAY BE LOCATED

Abilene People Believe Absconding
Banker Can Be Found if Re-
ward is Offered.

Topeka, Oct. 20.—It is believed there that John A. Flack, the absconding cashier of the Abilene State bank, has been located and that he will be brought back to Kansas to stand trial for wrecking the bank if the state will pay the expense of the trip of an officer to bring him back.

O. L. Moore, reporter of the supreme court, called on Governor Stubb and J. N. Dolley, state bank commissioner, and asked if the state would offer a reward for the return of Flack to Abilene.

No reward was ever offered for Flack as far as the records of the governor's office show. It was indicated at the governor's office that the reward would be offered, but the official proclamation will not be made until the Abilene people say the word, showing that they are ready to act at once.

Flack altered the books of the bank until he was able to get away with more than \$70,000 of the bank's funds through forgeries and false entries. The bank was supposed to be one of the solid financial institutions of the state until the defalcations were discovered. Efforts were made to keep the bank going, but these failed. It was a guaranteed bank, and the state banking department is paying the depositors in full.

Promoter Held for Bribery.

Carthage, Mo., Oct. 20.—A. B. Donaldson, a St. Louis promoter, and Councilman George W. Miller of this city were arrested on grand jury indictments charging them with offering a \$20,000 bribe to Councilman Thomas C. Pennington of this city for his vote on the proposition to sell the municipal water and electric plant of Carthage to a private corporation. Each gave \$1,000 bond.

Names Road Delegates.

Jefferson City, Oct. 20.—Gov. Hadley has appointed delegates to attend the first annual road congress of the American Association for Highway Improvement to be held at Richmond, Va., November 20-25. Upon the delegation he appointed men actively interested in road improvement throughout the state. Many of the state highway boosters were listed.

Mrs. Wornall Elected.

Kansas City, Oct. 20.—Mrs. Roma J. Wornall of Kansas City, after a long and hard fight, was elected president of the United Daughters of the Confederacy of Missouri in session at the Hotel Baltimore. The vote was 78 to 23, defeating Miss Pearl Mitchell, who was expected to run well as a "dark horse."

Rain, More Rain.

Philadelphia, Oct. 20.—Rain again interfered today to prevent the playing of the fourth game of the world's championship series between New York and Philadelphia. The game will be played here as soon as the weather permits.

Secretary Wilson Resigns.

Washington, Oct. 20.—Secretary of Agriculture Wilson has submitted his resignation to President Taft to take effect November 15, or as soon thereafter as the president may elect, according to a report from an apparently reliable source which is now current in Washington.

Motor Racer Killed.

Sioux City, Ia., Oct. 20.—"Billy" Pearce, a motor driver, was almost instantly killed when his car crashed into the fence while he was speeding at Woodland track here.

REPLY FROM FOLK

BELIEVES YEAR-OLD INDORSEMENT IS BINDING.

IN ANSWER TO CLARK

Calls Attention to Fact That Clark Was Chairman of Convention That Endorsed Him.

Champ Clark's statement published in Wednesday's St. Louis Republic, has called forth a reply from J. W. Folk, and here is the statement authorized by Mr. Folk:

"The Democrats of Missouri have indorsed Governor Folk for the Democratic presidential nomination through their chosen representatives in convention assembled. This indorsement was part of the last Democratic platform and was accepted in good faith by a large majority of the Democrats of the state. This action was taken after full discussion before the people for six months previous to the convention. Back of this indorsement I believe is the will of more than 80 per cent of the Democrats of the state. Mr. Clark, it will be remembered, was the chairman of that convention.

"Every fair-minded man will concede that Governor Folk should be given the state's delegation. The Democrats of Missouri have spoken once and they can speak again."

Lon Sanders, president of the Missouri Democratic League, which is booming former Governor Joseph W. Folk for president, yesterday declared in an interview with the Republic, authorized by Folk, that he considered the Jefferson City indorsement of a year ago binding on the Democrats of the state.

"We do not intend, however," said Sanders, "to rest our cause on a mere appeal to fairness. We believe we have the strength to carry the state, and intend to demonstrate our ability to do so when the time comes, if it is necessary. The Democrats of Missouri have spoken once and they can speak again."

That the Folk forces would welcome a primary or any means by which the question of his present strength can be shown was made clear by the president of the league.

"You can just say for me," said Mr. Sanders, "that we are eager to demonstrate to the complete satisfaction of every person in the state that Folk is now the choice of the Democracy, as he was a year ago."

When Folk was asked for a personal expression on the subject, he said:

"I am more concerned in the success of progressive Democratic principles than in my own or anyone else's possible candidacy.

"These principles should be above the ambition of individuals. Selfish or self-aspiring hopes should not be allowed to create dissension in the ranks of the party at this time."

In speaking of the binding effect of the resolution in the platform last year indorsing Folk's candidacy, Sanders said the Democrats of Missouri had indorsed Folk for the Democratic presidential nomination through their chosen representatives.

"The indorsement was part of the last Democratic platform, and was accepted in good faith by a large majority of the Democrats of this state. This action was taken after full discussion before the people for six months previous to the convention. Back of this indorsement, I believe, is the will of more than 80 per cent of the Democrats of the state.

"I notice Mr. Clark's secretary is quoted as saying that Clark is embarrassed by the pledge of a year ago, and that Clark, himself, makes an indefinite statement as to the binding effect of the platform of a year ago. Mr. Clark, it will be remembered, was the chairman of that convention."

Delegates to the state convention which will choose delegates to the national convention will be chosen by primaries and county conventions next year.

"Those county primaries or conventions," said Sanders, "will decide whether the rank and file of the party wants to stand back of the platform adopted by their representatives in the convention last year."

LADIES' ORCHESTRA HERE.

To Appear at Business College This Evening.

The Ladies' Spanish orchestra arrived in the city at noon today and are ready for the entertainment at the Business college auditorium tonight. The personnel of the company is as follows: Frederick Irving, manager; Oliva Fox, Coleta Fox, Sylvia Fox, Anna Smith, Francis Parkinson, Helen Barnard and Marie Hall.

The Fox sisters will be remembered as being here a year ago, at which time there were five. They pleased immensely then, and the entire company has been decidedly popular. The program will begin at 8:30.

AT BURLINGTON JUNCTION.

Designated as a Postal Savings Depository, Effective Nov. 9.

Burlington Junction postoffice has also been designated by Postmaster Hitchcock as a postal savings depository, effective on November 9. J. H. Bryant is postmaster at the Junction. There will be three savings depositories in the county after November 9, Burlington Junction, Hopkins and Maryville.

The one at Maryville was established in August, but it is not a success, as only a few dollars have been deposited.

WELL BUCKET STOLEN.

James Reed of Near Ravenwood Charged With Stealing It.

Constable Richard Snyder arrested Thursday afternoon James Reed, who lives near Ravenwood, on a charge of stealing a well bucket, rope and pulley from Frank Grundell, who lives five miles east of Maryville. Mr. Grundell swore out the information. It is claimed that these articles were taken last July and are valued at \$35. The case will come up Tuesday before Justice W. L. Johnson.

SALE WAS FAIRLY GOOD.

An Average of \$28 a Head Received at Harvey's Hog Sale.

The sale of J. H. Harvey held Thursday afternoon at Gray's sale pavilion of O. I. C. Chester White hogs was a fairly successful one, good prices being received. Fifty-eight head were sold at an average of \$28 a head.

DR. LUCE TO LEAVE HERE.

Not Known as Yet Where He Will Locate in the East.

Miss Cornelia Luce arrived in Maryville Friday noon from Santa Fe, N. M., where she has had charge of the domestic science department in the Presbyterian College for Girls. Miss Luce has come on a visit to her parents, Rev. Dr. and Mrs. Charles P. Luce, and family, who will leave in a few weeks for the east to make their home. Dr. Luce has not yet returned from his stay in the eastern states, and his family does not know as yet where they will be located. Dr. Luce, we understand, has taken work under the Presbyterian home mission board.

Off for San Francisco.

Left for Illinois.

Charles Hyslop left Thursday evening for Carthage, Ill., on business. He expects to return about the first of November, accompanied by Mrs. Hyslop, who has been living there for some time with her aged mother, who died recently.

A Skating Rink.

It is rumored that a skating rink will be started in Maryville within the next few weeks by Mr. Vincent of Shenandoah. The old armory hall, on the east side of the square is the place Mr. Vincent is trying to lease for the rink.

May Go to Oklahoma.

Mr. and Mrs. C. A. Langston of Hopkins were in Maryville Friday on business. They are expecting to be located in Winnewood, Okla., by the first of the year.

John Davis went to his farm near Bolckow Thursday evening.

A BRIDGE SESSION

COURT CONSIDERED BRIDGES IN GREEN TOWNSHIP.

COURT MADE TRIP THERE

Bridge Fund is Nearly Exhausted and Four Bridge Contracts Were Cancelled.

A special session of the county court was held Friday to take up the matter of repairing and building new bridges in Green township that were washed away and badly damaged a week ago by the big rain. Ten bridges, four of five steel ones and the rest wooden structures, were badly damaged and some of them washed away. A number of culverts were also washed out.

As the bridge fund is nearly exhausted, the court decided to cancel four contracts for new bridges in other parts of the county, so as to have the money to go ahead with the bridge work over near Quitman. The bridge fund has been short all year and the court has had a hard time in putting in what bridges were needed.

The judges of the court, John Thornhill, William Blackford and Joseph Thompson, with County Highway Engineer Reese, left Friday afternoon in an automobile to see for themselves what work is really needed in the Quitman vicinity on these bridges, and whether it is necessary to build new ones.

The court intends to have work start at once on these bridges, as it has been impossible to travel on these roads with the bridges out.

TODAY'S GAME WAS POSTPONED

On Account of Rain—Tomorrow's Game at Philadelphia.

There was no ball game at Philadelphia again today on account of rain. This makes the third day that the fourth game of the world's series has been postponed on account of rain at Philadelphia. Tomorrow's game will be played at Philadelphia, weather permitting.

Mr. and Mrs. Clarence W. Workman entertained for dinner Thursday, October 19th, at their country home, seven miles north of Maryville, in honor of their cousin, Mrs. John O'Connor, of Miles City, Mont., who has been visiting her parents, Mr. and Mrs. H. A. Edwards of this city. Owing to a message calling her to her home the honor guest was unable to attend. Those present were Mrs. H. Edwards, Mrs. Charles Smith and son, Mrs. F. L. Murray and son, Mr. and Mrs. William Edwards and daughters, Mrs. P. L. Edwards and daughter and Mrs. W. E. LaVelle and daughter.

Jolly Circle Played Dominoes.

Mr. and Mrs. W. O. Swinford entertained the members of the Jolly Circle at dominoes Thursday night at their home, on North Market street. Refreshments were served after the games. Those present beside the members were Master Harry Holmes and a niece of the hostess, Miss Ethel Swinford of Pickering, who is attending school in the city. The members are: Mr. and Mrs. O. L. Holmes, Mr. and Mrs. J. F. Cook, Mr. and Mrs. J. E. Melvin, Mr. and Mrs. J. H. Eckles, Mr. and Mrs. R. A. Strawbridge, Mr. and Mrs. Robinson Craven, Mr. and Mrs. R. H. Duncan, Mr. and Mrs. W. R. Wells.

O. D. O. Bridge Club.

Miss Esther Shoemaker, assisted by her mother, Mrs. F. G. Shoemaker, entertained the members of the O. D. O. Bridge club Thursday afternoon at their home, on East Fourth street. Mrs. Paul Ream of Kansas City, who is visiting her parents, Mr. and Mrs. Joseph Jackson, Sr., was the guest of the club. The other members of the company were the hostess, and Mrs. N. C. Covey, who played the highest score during the afternoon, Mrs. D. J. Thomas, Mrs. Ferdinand Townsend, Mrs. Berney Harris, Mrs. George Lorange, Mrs. C. C. Hellmers, Mrs. F. G. Shoemaker, Miss Susie Ellison, Miss Della Gremis and the two new members, Mrs. Charles Jackson and Miss Rena Sturm.

Swaney-Godsey.

A happy wedding was solemnized at the home of Mr. and Mrs. George H. Swaney, near Pickering, Wednesday afternoon, October 18, when their eldest daughter, Nora, was united in marriage with John F. Godsey, by Rev. Fred M. Lindenmeyer of Pickering, their pastor. The wedding march was played by Mrs. Alex Swaney, a sister of the bride. The bride wore a beautiful white silk dress trimmed in lace and white souché braid, and carried a beautiful bouquet of dahlias. The home was nicely decorated with flowers. After the ceremony the guests sat down to a sumptuous dinner.

The bride and groom have grown to maturity in this community, where they have a host of friends that wish them much happiness in their wedded life. Among the guests were the following: Mr. and Mrs. G. W. Swaney,

Mr. and Mrs. Ed Godsey, Mr. E. D. Godsey, Mr. and Mrs. A. Wilder, Mr. and Mrs. A. B. Swaney, Mrs. H. W. Northrup, Mr. and Mrs. Andrew Wiley, Mr. and Mrs. Alex Swaney, Mr. and Mrs. Gilbert Aiken, Mr. and Mrs. Lon Fine, Mr. and Mrs. F. M. Lindenmeyer, Misses Ocie Swaney, Lena McKee, Flora Godsey, Messrs. June Swaney, Lee McKee and Rev. W. H. Rust.

Hallowe'en Social.

Elaborate preparations are being made at the Normal for a Hallowe'en social for the students and faculty to be given at the Normal building on Tuesday night, October 31. The committee in charge, composed of Misses Susan Ellison, Mae Corwin and Donna Sisson, have arranged for a farcical street fair. Different shows, such as minstrel show, dance of the seven veils and the living skeleton will be introduced. Also a horse show will be conducted and a children's parade will take place. Later in the evening all those present will go to the campus west of the building and gather about an immense bonfire. Marshmallows will be toasted and numerous outdoor games will be indulged in.

Dew Drop Inn Club.

The Dew Drop Inn club met Wednesday at the home of Mrs. Martin VanBuren. The members present were Mrs. Harry Farrar, Mrs. Sam Yeager, Mrs. Oliver Jones, Mrs. Albert Orme, Mrs. Elmer Baker and the hostess, Mrs. Martin VanBuren. The children were Misses Andrew Farrar, Geneva Yeager, Mary and Ruth VanBuren, Mildred and Velma Jones, and Masters Wendell Jones, Harold VanBuren and Myron Baker. The session was spent in perfecting plans for a reception to be given Friday evening, October 20, at the VanBuren home in honor of Mr. and Mrs. VanBuren and family, who are shortly to leave our midst for a home in Kansas. The next meeting of the club will be at the home of Mrs. Sam Yeager.

The "Track Meet."

The track meet given in the parlors of the First Christian church Thursday night by the Christian Endeavor society to the students of the various schools of our city, proved the most unique and enjoyable social entertainment given in our city in a long, long time, and the social committee, Miss Lois K. Halley, Mrs. Claude J. Miller, Miss Alice Ray, John Gates and Ernest Yeaman, are to be congratulated on its success. Dr. D. J. Thomas was score keeper in the events, H. J. Becker time keeper and Rev. C. J. Miller starter.

As the guests of the evening entered the door a pennant was given to each in five colors: Crimson standing for Yale, blue for Oxford, yellow for Drake, brown for Brown university, green for Shamrock.

A leader was chosen for each school, yells were formulated and college spirit ran high. The nature of the meet was known only to the social committee. The following events were pulled off:

Twenty-foot dash—This consisted of preliminaries and finals. A representative from each college was given a glass of water, obliged to hop across the room and back, measuring their success by the amount of water left in the glass and the time spent in reaching the goal.

Shot put—This consisted of two 2-ounce bottles and a pan of shot. The shot was put into the bottle with a spoon. The winner filled the bottle with shot in the shortest time.

Broad jump—A lady and man, representatives from each college, sang the scale. The highest and lowest note sung won first place.

Hurdle race—A young man from college, with feet tied together, crossed the room and returned over books placed at intervals on the floor.

Discus throw—Two lady representatives from each college threw inflated paper bags for distance.

Pole vault—Five young men ate doughnuts against time. The doughnuts were tied to a fish pole.

Relay race—Ten representatives from each college engaged in a cracker eating contest. As soon as No. 1 had eaten the cracker, No. 2 started, and so on unto the tenth.

First place counted five points, second three, third one.

The final score stood as follows: Yale 19, Oxford 18, Drake 13, Brown 7, Shamrock 6.

At the close of the evening's jollification lemonade and popcorn were served, while everybody reviewed the events of the evening in fine spirit.

Missionary Society.

PROSPECT FOR COAL

AT RAVENWOOD SEEMS GOOD, ACCORDING TO SURVEY MADE.

REPORT OF FINDINGS

By F. C. Greene of Missouri Geological Survey, Who Was at That Place Last Week.

F. C. Greene of the Missouri geological survey of Rolla, Mo., was in the vicinity of Ravenwood last week, having been urged to come there to look around as to the prospect for coal. In this week's Ravenwood Gazette Mr. Greene writes the following report of his findings:

Ravenwood and the surrounding region is underlain by formations of the upper coal measures. These formations are layers of limestone, shale, sandstone and occasional thin beds of coal and slate, such as outcrop on the Platte and Long Branch. The total thickness is probably about 700 feet, below which the drill will penetrate the lower coal measures, which will probably be found to have a thickness of about 600 feet. It is in this series of beds that practically all the workable coal of Kansas, Missouri, Iowa and Illinois is found. The Cainesville coal, if found at Ravenwood, will be about 450 feet below this series.

Besides the coal, the lower coal measures contain much sandstone and shale, but very little limestone. However, the next formation below is the Mississippian limestone, a hard, flinty rock, which the driller immediately recognizes. No coal has ever been found below this limestone, and it is commonly supposed that no oil or gas will be found.

The formations of Northwest Missouri have a general dip to the west, so that coal seams which come to the surface in Putnam and Adair county will be found deeper and deeper to the west. Thus the coal outcropping along the Chariton R. is probably the same bed as that found at Stanberry, 720 feet deep. This was reported to be 30 inches thick and should be found at Ravenwood.

The coal in the vicinity of Quitman and Arkoe is in the upper coal measures, but its eastern outcrop doesn't extend to the Platte river.

From the foregoing it will be seen that the best chances for coal at Ravenwood is below 700 feet. Objections may be raised that it would be unprofitable to mine at the depth, but at Leavenworth, Kan., a 22-inch seam is being mined at a depth of over 800 feet. Miners at that place have worked under the Missouri river and are now taking coal from under this state. In Europe it is mined at over a thousand feet.

As to oil and gas in the vicinity of Ravenwood, no certain prophecies can be made. Both of these valuable products are found in Kansas and Oklahoma in both upper and lower coal measures. They have been found in this state in small quantities at various places. This fact has caused many people to believe that finding larger quantities is but a question of drilling in the right place, and Ravenwood may be this place. The actual drilling, however, is the only correct way of determining this question.

The hills around Ravenwood are composed of glacial drift, which is supposed to have been brought down from the north during the ice age or Pleistocene, as geologists call it. Anyone noticing the piles of boulders and gravel seen in ditches around Ravenwood will see that there is very little local limestone, most of the material being granite, quartzite and other foreign rock. It is supposed that some of these rocks have been carried a thousand miles or more, since they do not outcrop less than a thousand miles to the north in Canada.

The occasional finding of iron ore, small pieces of pure copper and grains of gold has given rise to rumors at various times that deposits of these materials existed in Northern Missouri, but so far, all these rumors have been based on finding isolated specimens and no actual deposits have been found, or are likely to be found, in this region.

Miss Eva Lee Vance, a Business college student, went to her home at McFall Friday to spend the week end.

How Expressive of Quality is the Tailor Made Suit

You can't analyze it—you can't define it. But it's there. The tailor-dressed woman can be recognized instantly. Even if an entire block ahead, with only the back of her head to nod blankly at you as she trips along—her clothes tell the story. "She's refined—she's cultured—she's charming" you think. And you're right. The essence of good taste and refinement is today shown by wearing garments that are made to fit you and you alone—that express and show that individuality and distinctiveness all good dressers now demand.

Visit Our Tailoring Department

Don't deprive yourself of made-to-measure clothes—the kind that attract and please merely because you think you can't afford them, or because you might have an idea that one must go clear to Chicago or New York to get the right kind. For right here in your own town—within a stone's throw of your own home—you can get just the kind you are looking for. Our arrangements with the well known American Ladies' Tailoring Company enable you to have the styles of the world's fashion centers set down right at your door at prices no higher than you have been used to paying for ordinary ready-mades.

Fit and satisfaction guaranteed—delivery prompt. Come and see for yourself. No obligations to buy.

Guarantees Parisian Sage for Falling Hair and Dandruff.

We want you to know that the girl with the Auburn hair is on every bottle and carton of Parisian Sage.

We want you to know this for your own protection, for there are many imitations, and it is an easy matter to get the spurious article.

You can always get the genuine Parisian Sage at the Koch Pharmacy for only 50 cents a bottle. They will not deceive you.

Parisian Sage is rigidly guaranteed for dandruff, falling hair and scalp itch.

It is a most delightful and invigorating hair dressing that puts life and brilliance into the hair and causes it to grow if the hair root be no dead.

It's the tonic you will use always if you use it once.

Council to Meet.

The city council will meet this evening in regular session. There is no important business slated for this meeting.

Buy 'Em Early.

If you're wise you'll buy 'em early, buy 'em early, Mabel dear, For almost before you know it Merry Christmas'll be here; The shops will all be crowded in about a month from now, And every weary clerk you meet will have a wrinkled brow; You'll have to stand up in the cars, your joy will disappear, So if you're wise you'll buy 'em early, buy 'em early, Mabel dear. —Chicago Record-Herald.

Miss Mabel McCrary left Friday morning for a several weeks' visit with relatives and friends in Beloit, Wis.

CATARH OF STOMACH.

Indigestion and Stomach Agony Quickly Ended.

If you went to thirty doctors and paid each his fee for a prescription for indigestion or stomach misery it is ten chances to one you wouldn't get such a good prescription as the one from which Mi-o-na stomach tablets are made.

How can such a thing be? you naturally ask.

Simply because the man who wrote the prescription from which Mi-o-na tablets are made knows more about stomach diseases than 96 per cent of all the physicians in America, and he gets paid for knowing.

And when you can get a large box of tablets made from this doctor's prescription for only 50 cents, are you going to continue to suffer? Sold by the Orear-Henry Drug Co. and druggists everywhere.

SAGE TEA WILL DARKEN THE HAIR

Restore Faded and Gray Hair to Natural Color—Dandruff Quickly Removed.

There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance they made a brew of sage leaves and applied it to their hair, with wonderfully beneficial effect.

Nowadays we don't have to resort to old-time, tiresome methods of gathering the herbs and making the tea. This is done by skillful chemists better than we could do it ourselves, and all we have to do is to call for the ready-made product, Wyeth's Sage and Sulphur Hair Remedy, containing sage in the proper strength, with the addition of sulphur, another old-time scalp remedy.

The manufacturers of this remedy authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

Don't neglect your hair. Get a bottle of Wyeth's Sage and Sulphur today, and notice the difference after a few days' use.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists. Special agents, Koch Pharmacy.

Miss Hazel Curnutt returned to her home in Barnard Thursday evening.

A Big Packet Sale of Wool Dress Goods

STARTS SATURDAY

THIS is to be a big sale in every sense of the word—big in the point of variety, in the range of prices and in the value giving. We have culled every dress length, every skirt length and waist length from our big stock of wool dress goods and marked them at greatly reduced prices. The variety of fabrics represented in the packets will rival in size the variety in our stock.

This is also to be a sale of popular fabrics and patterns. For these are the ones which sell readily and consequently become remnants first. A glance at the fabrics on the tables will show the patterns and fabrics which are in most demand.

But above all this is to be a real value-giving sale, a sale of genuine reliable bargains. The many prices present us from giving the reductions in detail but in a general way we may state that most of the packets will be sold for as low as

One-Third Off.

This will be a great opportunity to buy dresses, skirts and waists and particularly children's dresses as there are a great number of patterns especially suited for this purpose.

Come Saturday, come early—the first buyers get first pick. The sale will continue, however, until the packets are closed out, which will probably be several days.

Prices and yardages in plain figures on every packet. Wait on yourself.

EATS WHAT HE LIKES AFTER TAKING FREE SAMPLE

It will be welcome news to dyspeptics to learn of a remedy that, in the opinion of thousands, is an absolute cure for indigestion and all forms of stomach trouble, and, better still, it is guaranteed to do so. The remedy is Dr. Caldwell's Syrup Pepsin.

We all know the value of pure pepsin in indigestion, and add to this some exceptional laxative ingredients and you have a truly wonderful remedy. Mr. T. W. Worthy of Forsythe, Ga., got to the point where he could not even eat or digest vegetables and after many years of seeking he found the cure in Dr. Caldwell's Syrup Pepsin. Mr. Rudy Kasper of Moline, Ill., was in the same bad predicament with his stomach, took Syrup Pepsin and is now cured.

Hundreds of others would gladly testify. It is a guaranteed cure for indigestion, constipation, biliousness, headaches, gas on the stomach and similar complaints. A bottle can be had at any drug store for fifty cents or a dollar, but if you wish to make a test of it first, send your address to Dr. Caldwell and he will supply a free sample bottle, sent direct to your address. You will soon admit that you have found something to replace salts, cathartics, breath perfumes and other temporary reliefs. Syrup Pepsin will cure you permanently.

For the free sample address Dr. W. B. Caldwell, 541 Caldwell building, Monticello, Ill.

A CORROBORATION.

Of Interest to Maryville Readers.

For months Maryville citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills, by residents of this locality.

Would these prominent people recommend a remedy that had not proven reliable?

Would they confirm their statements after years had elapsed if personal experience had not shown the remedy to be worthy of endorsement?

No stronger proof of merit can be had than cures that have stood the test of time.

The following statement should carry conviction to the mind of every Maryville reader.

G. S. Kemp, R. F. D. No. 1, King City, Gentry county, Mo., says: "I give Doan's Kidney Pills my endorsement and I willingly confirm the statement I made in their favor some years ago."

This remedy has been of great benefit to me and I advise other kidney sufferers to give it a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

His Awful Anguish.

She had refused him, but, ah! her heart was filled with pity. Poor fellow! How he must be suffering!

In the evening she sought her father.

"Father," she said, "have—have you seen Samuel today?"

"Yes, dear. I left him only an hour ago."

"How was he?"

"Well, he looked a trifle worried."

"Oh, poor, poor Sam!" cried she who had been heartless. "He proposed to me this morning, father, and I refused him. But how his great grief haunts me. Oh, father, I fear he is heart broken. I picture him, with a bleeding soul, tossing upon a fevered couch—"

"Yes," interrupted her father. "He told me about it himself while I was beating him at billiards down at the club."—London Answers.

Short Hair to be Mark of Chinese Revolutionists.

Dispatch From Shanghai Says Three Imperial Ships Have Surrendered and Float Flag of Republic.

San Francisco, Oct. 20.—Short hair has been made the distinguishing mark of the Chinese revolutionists, according to a message from Hankow. The revolutionary government has given the inhabitants of Hankow and Wu Chang until October 22 to cut off their queues. This means that those refusing to lose their queues will lose their heads, says the editor of a Chinese paper.

Another dispatch from Shanghai says that three imperial warships have surrendered and raised the flag of the republic. It also is said that the rebels have captured Wang Chow, Province of Hu-Peh, occupied the forts and telegraph office there, and are advancing toward Sheung Yang. Other messages say the American consul at Nanking has asked the American legation at Peking for warships.

Pekin, Oct. 20.—The foreign legations in Peking have received no dispatches from Hankow since the one from the American consul general, Roger Greene, saying only that the fighting had begun. It is believed, however, that the concessions in Hankow are safe, and that the 10 or 12 foreign cruisers and gunboats in the harbor are ample protection, even from the joint Chinese army and navy.

The American attaches, Lieut. Col. William D. Beach and Capt. J. H. Reeves, returned to Peking because they were not permitted to accompany the troops to Hankow. They say the orderliness and precision with which the troop trains are being sent southward is admirable. The Japanese cruisers and gunboats in the Yang-Tze-Kiang are establishing a wireless service from Hankow. Japanese torpedo boats, now at Tientsin, may connect with Tokio, as well as with Hankow, by wireless.

Steel Corporation Cancels Lease on Ore Property Which Controlled Output.

New York, Oct. 20.—The United States Steel Corporation has determined to cancel its lease on the vast ore properties of the Great Northern Ore company. The announcement has caused a drop of 10 points in the price of Great Northern Ore certificates in two days. They are selling as low as \$40. They were quoted as high as \$80 last year.

No official explanation of the determination to cancel the lease has been given. It is assumed to be due to the recent declaration of the commissioner of corporations that the steel trust has a practical monopoly of ore properties. The steel corporation apparently wishes to free itself of any such charge.

May Condemn Capitol Land.

Jefferson City, Oct. 20.—Gov. Hadley believes that the commissioners for the new state capitol should resort to condemnation proceedings in acquiring additional property for the capitol grounds unless the owners of three or four tracts that are deemed to be held at exorbitant figures should reduce their valuations. So far as the remainder of the property containing the great bulk is concerned, the prices asked are not deemed unreasonable.

Webb City Man Missing.

Joplin, Mo., Oct. 20.—H. K. Scharf of Webb City, the Joplin representative of the C. E. Matthews Lumber company, disappeared and his prolonged absence is looked upon as indicating that he has met with some mishap. The Elks' lodge of Webb City is aiding the police in the search. Scharf is known to have gone on the Joplin and Pittsburg electric car as far as Pittsburg, Kan., 26 miles from Joplin.

Rate Advance Held Up.

Washington, Oct. 20.—Advances in the rate on bran, barley and wheat filed with the Interstate Commerce commission by the Santa Fe railway, to be effective on November 1, were suspended by the commission until February 28. The commission is of the opinion that the increases are not justified by conditions and will inquire into them before permitting them to go into effect.

Dear Amy:-

I want you and Bob to come to our party next Friday night. I'm always glad to give a party, because I'm proud of my handsomely furnished home. Life isn't worth living if you live it all by yourself. I enjoy entertaining our friends, and they always have such a good time when they come to our home.

I'll bet you and I, Amy, have sold more furniture than any ten women in town, because when people come into our homes they can't help wanting their own also to be beautiful.

Be good,

SUFFRAGETTES AT LOUISVILLE

Greatest Convention Ever Held by
National Association Opens.

ENGLISH LEADER IN ATTENDANCE

Mrs. Pankhurst Will Urge Use of
Spectacular Methods as Has Been
Done in Europe—Celebrate
California Victory.

Louisville, Ky., Oct. 20.—The greatest convention ever held by the National Woman's Suffrage association opened here this morning. From all parts of the Union the women have come, at their own expense, to glory in the victories already won for "the cause" and to plan and discuss methods of carrying on the campaign in the future.

One thing that makes the present gathering of especial importance is the presence of Mrs. Emmeline Pankhurst, head of the militant suffragette faction of England, and the possibility that some important changes may be adopted in the America's fight for equal suffrage through the exposition she will give of the success of English suffragist methods.

May Adopt English Methods.

Hitherto the women of the United States have held aloof from the strenuous methods advocated by the disciples of Mrs. Pankhurst, preferring to conduct their campaigns with an orderliness that has rivaled the political campaigns of great parties that go before the voters. Already the assembled delegates have split into factions on the question of English suffragist methods, and today many of those present stated that they thought the more spectacular methods of the English women would prove more efficacious in the coming campaign. This feeling seems to have been brought about by a realization that suffragette speakers and campaign managers cannot be so divided as to cover in a thorough manner the five states which will submit the equal suffrage question to the voters at the next election.

On the other hand, a very strong body is against any deviation from the methods that have won several states to the side of equal suffrage.

This faction holds that any undue display of the militant spirit would do more harm than good.

With regard to the campaign themselves, it is said that strenuous efforts will be made to raise sufficient funds for the opening of offices and the dispatch of "spell binders" to the states where the voters will decide the suffrage question. It was also stated here today that another self-denial week may be proclaimed, though on a larger scale than the one held to raise funds for the recent suffrage election in California.

Joy Over California Victory.

That California election, in which, by the hardest kind of work, the women won a victory, is a general topic of conversation among the delegates and though the margin of success was very small, the women are rejoicing none the less in their victory. Tonight, at the jubilee meeting, Mrs. Lobingier and Mrs. E. L. Watson will tell how the campaign was carried on in California.

Dr. Anna Howard Shaw, the president of the association, was in the chair this morning when the convention came to order. In an eloquent and stirring address Miss Laura Clay, president of the Kentucky association, welcomed the delegates to Louisville, and the remainder of the morning was devoted to routine business. In the afternoon there was a conference on "How to Reach the Uninterested" conducted by Anna Anthony of Ohio, Mary Blakewell of Pennsylvania and Mrs. William Ellsworth of Maryland. Tonight, at the close of the jubilee meeting, Dr. Shaw will deliver the president's address.

Many famous men and women will address the convention before it adjourns next Tuesday night, among them being Dr. Harvey W. Wiley, Brand Whitlock, Miss M. Carey Thomas, president of Bryn Mawr; Mrs. O. H. P. Belmont, Miss Mary Garrett, Miss Jane Addams, Miss Inez Milholland, Miss Fola La Follette, Mrs. Ernest Thompson Seton and Mrs. Stanley McCormick of Chicago.

FIND ROBBERS' COIN IN CREEK

RECOVERY OF \$500 STARTS PEOPLE SEARCHING.

Money Believed to be Part of Sum
Stolen From Bank Four
Years Ago.

Springfield, Mo., Oct. 20.—News of the discovery by John Aspbell, on his farm between Aldrich and Dadeville, of \$500 in silver along a creek bed has set the people of that section wild with excitement and hundreds of persons spent the day digging vigorously with a hope that they would find more of what is believed to be a part of \$3,500 that was taken four years ago by two highwaymen who robbed the bank of Aldrich.

Aspbell found the coin while crossing the creek. One silver dollar was found in the water and further efforts uncovered along the bank silver coins aggregating about \$500. He had been hiding the money in the wall of his house and discovered that numerous holes had been bored in the wall by someone who evidently was looking for the money. He hastened to Greenfield where he deposited the money in a bank and filed a finder's interplea.

The Bank of Aldrich was robbed in daylight, December 12, 1907. The highwaymen were tracked to a wooded field near where Aspbell found the silver coins. James Vaughn, cashier, handed over \$3,500 in cash and though one man was arrested, convicted and sentenced to serve five years for the robbery, no clew ever was obtained to the stolen money.

JOHN A. FLACK MAY BE LOCATED

Ablene People Believe Absconding
Banker Can Be Found if Re-
ward Is Offered.

Topeka, Oct. 20.—It is believed there that John A. Flack, the absconding cashier of the Ablene State bank, has been located and that he will be brought back to Kansas to stand trial for wrecking the bank if the state will pay the expense of the trip of an officer to bring him back.

O. L. Moore, reporter of the supreme court, called on Governor Stubb and J. N. Dolley, state bank commissioner, and asked if the state would offer a reward for the return of Flack to Ablene.

No reward was ever offered for Flack as far as the records of the governor's office show. It was indicated at the governor's office that the reward would be offered, but the official proclamation will not be made until the Ablene people say the word, showing that they are ready to act at once.

Flack altered the books of the bank until he was able to get away with more than \$70,000 of the bank's funds through forgeries and false entries. The bank was supposed to be one of the solid financial institutions of the state until the defalcations were discovered. Efforts were made to keep the bank going, but these failed. It was a guaranteed bank, and the state banking department is paying the depositors in full.

Promoter Held for Bribery.

Carthage, Mo., Oct. 20.—A. B. Donaldson, a St. Louis promoter, and Councilman George W. Miller of this city were arrested on grand jury indictments charging them with offering a \$20,000 bribe to Councilman Thomas C. Pennington of this city for his vote on the proposition to sell the municipal water and electric plant of Carthage to a private corporation. Each gave \$1,000 bond.

Names Road Delegates.

Jefferson City, Oct. 20.—Gov. Hadley has appointed delegates to attend the first annual road congress of the American Association for Highway Improvement to be held at Richmond, Va., November 20-25. Upon the delegation he appointed men actively interested in road improvement throughout the state. Many of the state highway boosters were listed.

Mrs. Wornall Elected.

Kansas City, Oct. 20.—Mrs. Roma J. Wornall of Kansas City, after a long and hard fight, was elected president of the United Daughters of the Confederacy of Missouri in session at the Hotel Baltimore. The vote was 78 to 23, defeating Miss Pearl Mitchell, who was expected to run well as a "dark horse."

Rain, More Rain.

Philadelphia, Oct. 20.—Rain again interfered today to prevent the playing of the fourth game of the world's championship series between New York and Philadelphia. The game will be played here as soon as the weather permits.

Secretary Wilson Resigns.

Washington, Oct. 20.—Secretary of Agriculture Wilson has submitted his resignation to President Taft to take effect November 15, or as soon thereafter as the president may elect, according to a report from an apparently reliable source which is now current in Washington.

Motor Racer Killed.

St. Louis, Mo., Oct. 20.—"Billy" Pearce, a motor driver, was almost instantly killed when his car crashed into the fence while he was speeding at Woodland track here.
